Through the years, Halloween has always been a bit of a controversy among Christians. Some are absolutely opposed to the observance of Halloween while others see no harm and only fun in their children dressing up and receiving some free candy around the neighborhood. This paragraph will not seek to sort out those controversies but we at FFCS have decided a long time ago that we would not observe Halloween as a school in order to avoid being a stumbling block to those Christians for whom it's against their conscience. We see this issue as one of those falling under the umbrella of Paul's teaching in Romans 14. It is best therefore not to pass judgment on each other but rather work at not presenting a stumbling block to our brothers and sisters (Rom. 14:13).

Your Friend in Jesus, Pastor Mike
